ABOUT

HELLO! GUTEN TAG!

I am Deborah, I focus my energy on creative direction and photography. I live in Berlin, but am available and curious for the whole world. I have a Bachelor of Art in Communication Design, modeled and I'm also a certified geriatric nurse, having worked in psychiatry and palliative care. I'm here to capture beautiful moments.

DEBORAH FREY

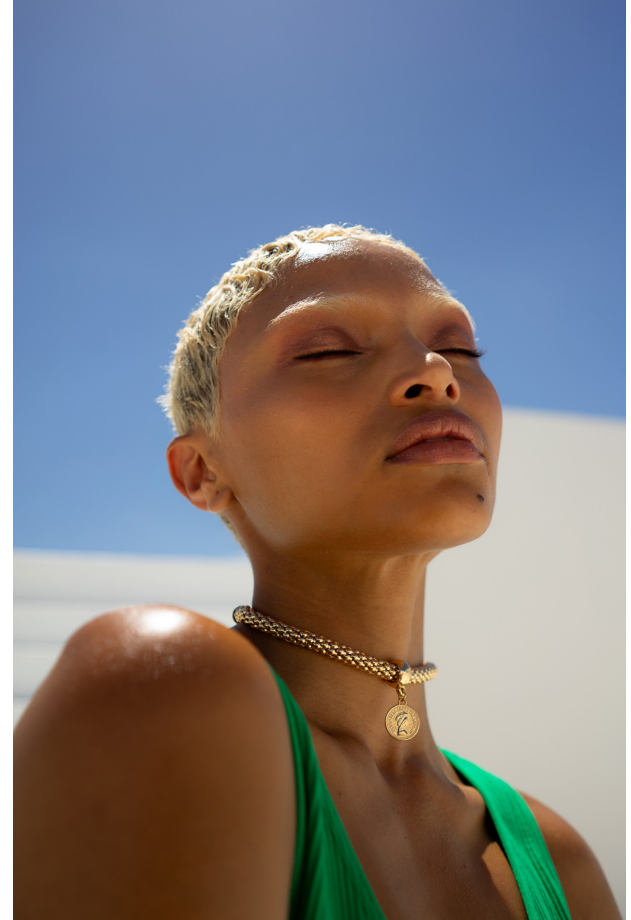

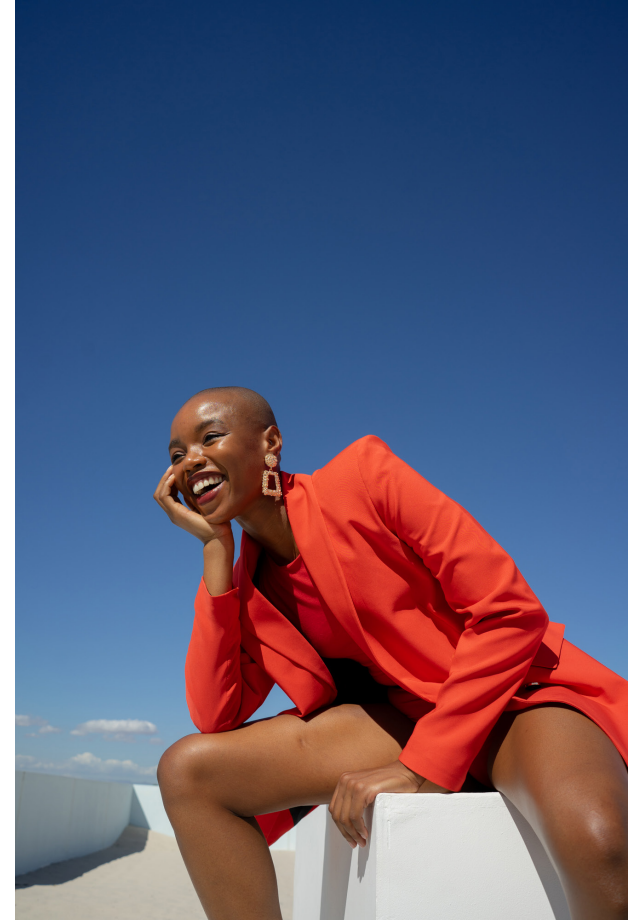

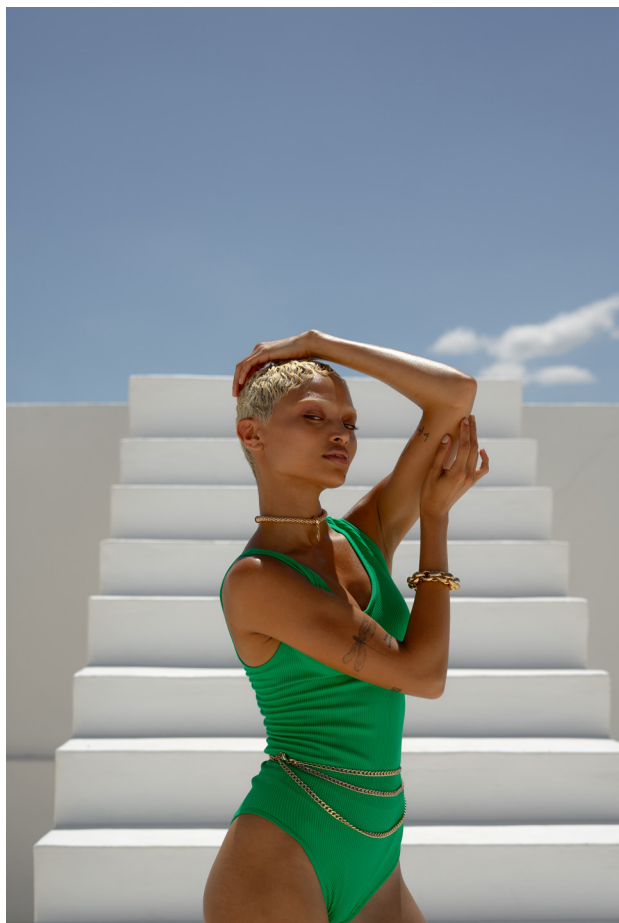

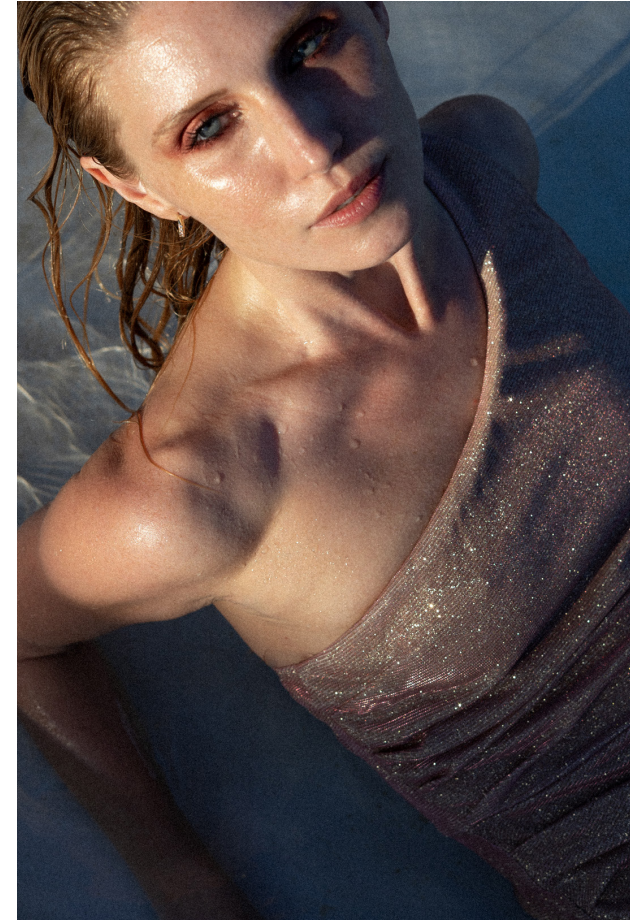

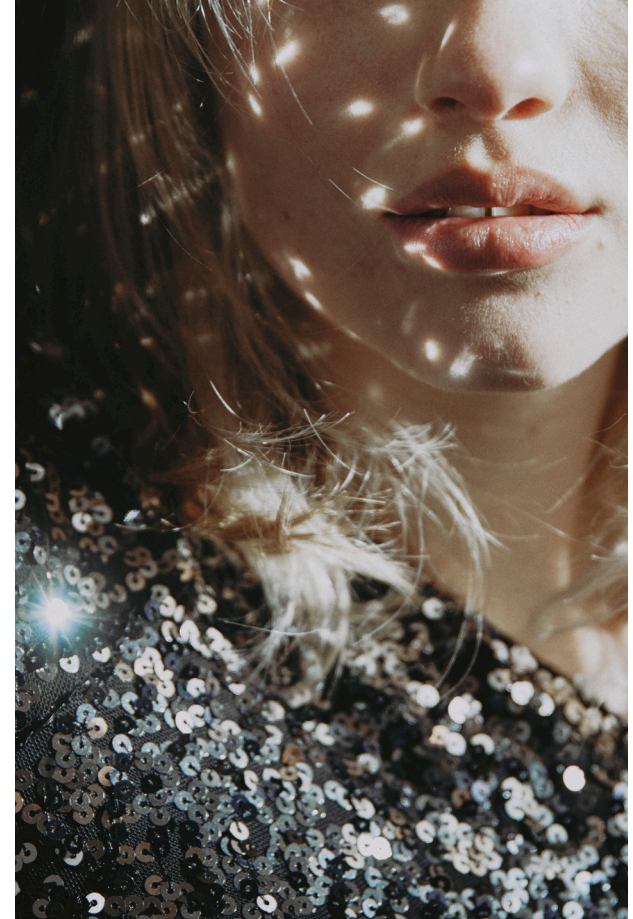

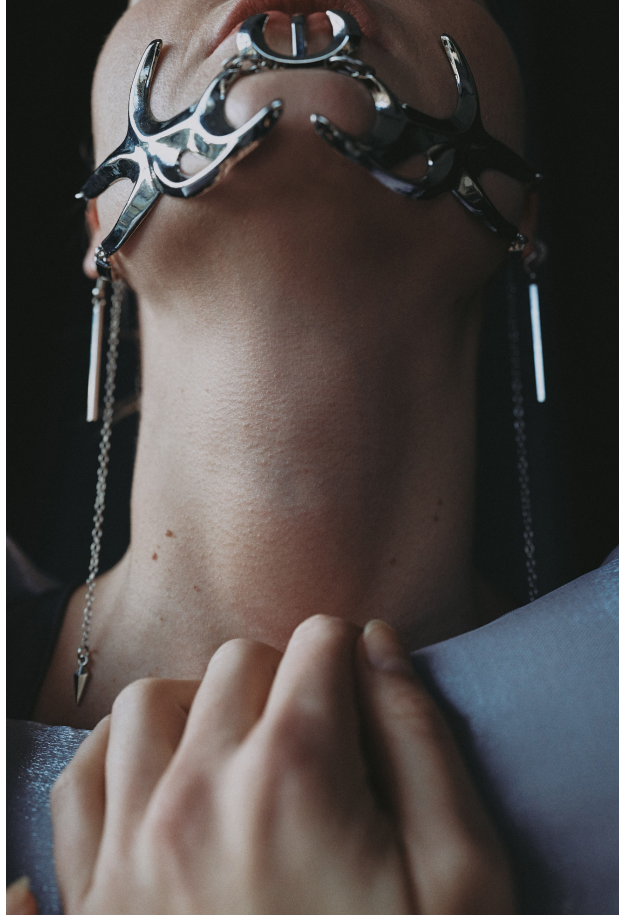

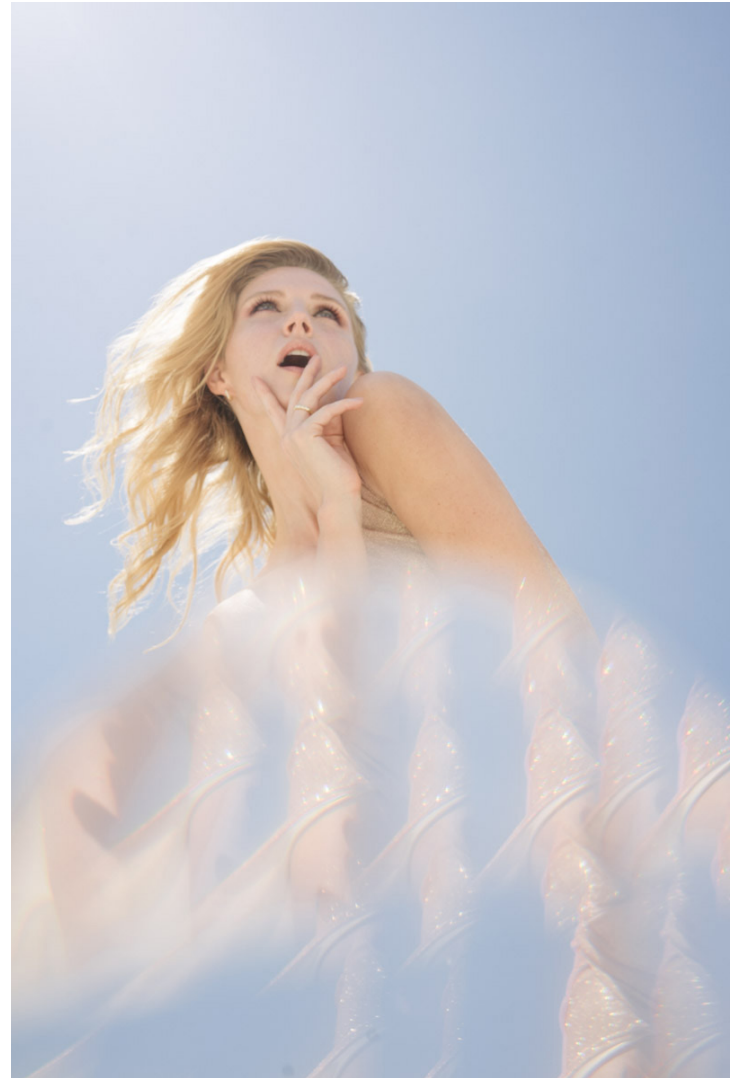

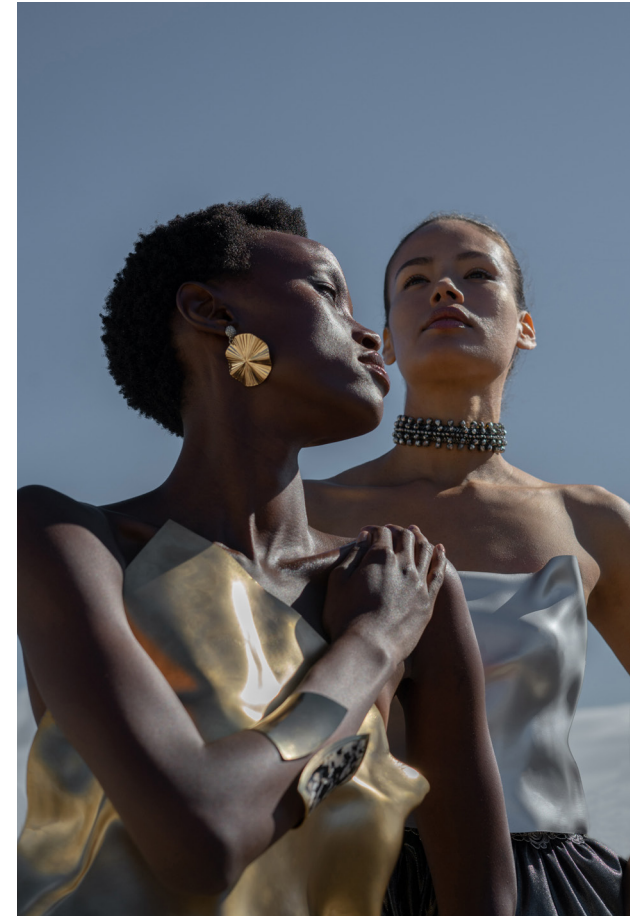

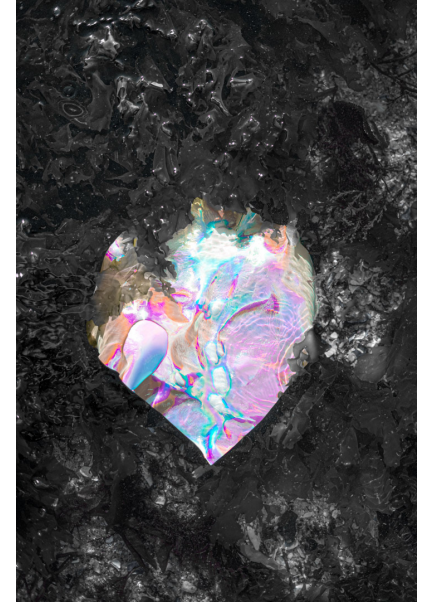

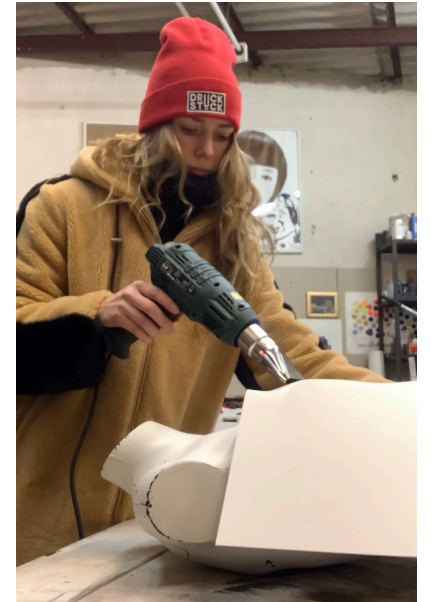

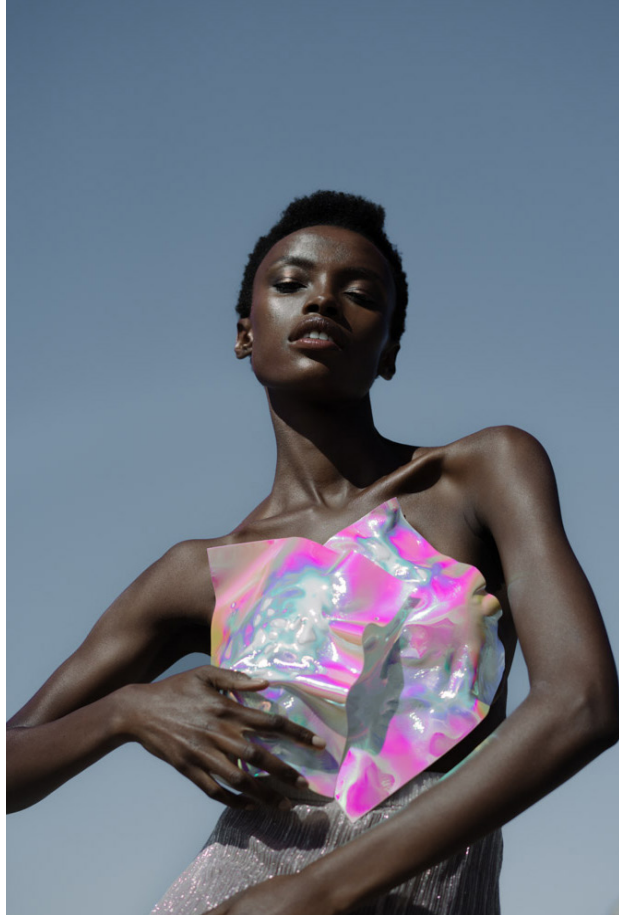

WILL GET PUBLISHED WITH LEICA

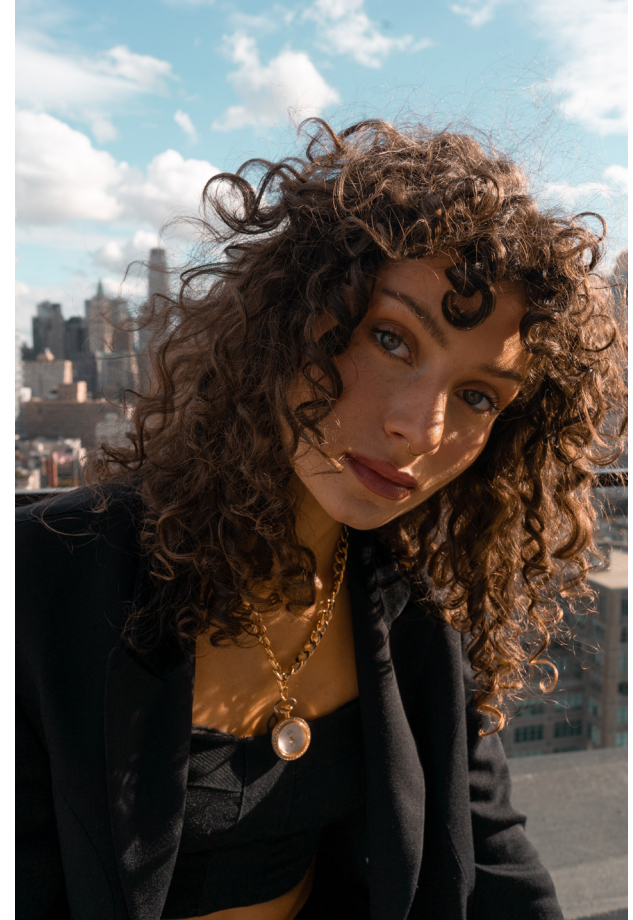

With joy, I dedicate myself not only to photography but also to crafting various creative elements. The fascination for creation extends from Kosests and art installations to poetry. I have had the privilege of hosting three exhibitions, showcasing my Kosests and lending them to ballet dancers.
